

OUTREACH EXPERIENCE

Do you want to...

- MAKE A DIFFERENCE?
- DISCOVER new gifts, talents and skills?
- ADD meaning and joy to our life?
- BE an agent of hope?

Why Not...

Volunteer some of your free time in service to...
The Poor...the sick...the homeless of our city...

The outreach program will be working with children, teens, adults, or the aged and infirm in a variety of settings, and will offer opportunities to get involved according to your interests, availability, and desired depth of involvement.

Compassion...

...Sharing the same suffering, accepting in my heart the misery that is in yours; Oh my brother, my sister, and you accepting me. My smile, my presence, my touch has value and can give life...

-Jean Vanier
